

FLASH Sprint 3

[Reopen Sprint](#)

Closed Sprint, ended by Victoria Law    08/Jan/19 9:38 AM - 24/Jan/19 10:32 AM    [Linked pages](#)    [View FLASH Sprint 3 in Issue Navigator](#)

Status Report

\* Issue added to sprint after start time

Completed Issues

[View in Issue Navigator](#)

| Key       | Summary  | Issue Type | Priority | Status | Original Time Estimate (12h → 44h) |
|-----------|--|------------|----------|--------|------------------------------------|
| FLAS-18   | As a frontend developer, I want be able to connect to the API, so that so we can access data from the backend.                 | Story      | Major    | DONE   | 12h → 6h                           |
| FLAS-19 * | As a backend developer, I want a framework written for the API, so that coding later will be easier.                           | Story      | Major    | DONE   | - → 8h                             |
| FLAS-20 * | As a fontend developer, I want to be able to access dummy data, in order to use to work on creating the UI/UX.                 | Story      | Major    | DONE   | - → 8h                             |
| FLAS-22 * | As a developer, I want to parse the datasets, so that I can use the information in machine learning algorithms.                | Story      | Major    | DONE   | - → 20h                            |
| FLAS-24 * | As a developer, I want to pick the correct machine learning algorithm, so that our program can categorize the data categories. | Story      | Major    | DONE   | - → 2h                             |

Issues Removed From Sprint
